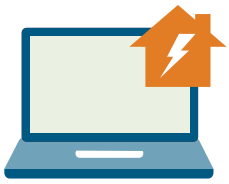
HELP YOUR COMMUNITY WIN

the Efficiency Smart Online Home Energy Assessment Community Challenge!



TAKE AN
ENERGY ASSESSMENT

GET
REWARDED

HELP YOUR
COMMUNITY WIN

Complete a free online assessment by September 30, 2021, to earn a **$5 voucher** for Efficiency Smart's Online Savings store **and be entered to win your choice of any item from Efficiency Smart's store!**

Have you already completed Efficiency Smart's online assessment? You are already entered!
Just log back into your online home energy assessment account to get your $5 voucher.

Completing an assessment helps your community win bragging rights and gives you three extra chances to win any item from Efficiency Smart's Online Savings store. Encourage your neighbors to complete an assessment to increase your chances of winning a prize!

DETAILS

- The $5 Voucher code will be displayed in your improvement plan after completing the online assessment
- The Efficiency Smart community with the largest percentage of households completing an assessment by 9/30/2021 will win the challenge
- Three people from the winning community and two from the rest of all completed assessments will win their choice of any item from Efficiency Smart's Online Savings store
- Winners will be notified from the email address they used to sign up for the assessment
- Efficiency Smart will announce the winners in October
- Only residential electric customers of a participating utility are eligible

HOW TO ENTER

Visit www.efficiencysmart.org, choose your community, and select "Online Home Energy Assessment"

One of the energy efficiency initiatives offered in partnership between your local municipal electric provide and Efficiency Smart.
